Profile

I work at the nexus of complex systems, transdisciplinary design, and arts-based research. For the past decade, I've helped others both untangle messes and uncover opportunities through a balancing act of problem-solving and creative inquiry.

Professional Experience

Head of Design; One Project; Remote – 2021–Present

Stewarding the design, monitoring, and readjustment efforts of social-digital infrastructure to enable new economic models and systems of governance

Governing Board Member; Leonardo/ISAST; Remote – 2018–Present

Advising on strategic decisions for creative programming, branding, and publications. Leading the brand redesign effort of a 50+-year-old art, science and technology institution. Serving on the creative programming working group and assisting in curatorial endeavors.

Senior Design Manager; Khan Academy; Mountain View, CA (Remote) – 2019–2021

Serving as manager and principal designer of the learning platform team focusing on the future of student experiences both in and out of classrooms; led the design of a new product feature that received an NPS > 95% and a microsite that drove a 2x increase in the number of active teachers and learners to the platform

Principal Designer; Khan Academy; Mountain View, CA – 2018–2019

Led the end-to-end design effort of Khan Academy's first paid enterprise classroom products for K-12 differentiated learning, MAP Accelerator & Khan for Districts; shipped work exceeded our 22% user activation targets

Designer & Researcher; IBM Research; San Jose, CA – 2016–2018

Pioneered design-driven processes and led UI/UX, data visualization and tangible user interface design for R&D projects spanning new ML/AI systems; filed and was issued patents and published over a dozen papers on the intersection of design, art, and ML/AI

User Experience Design Lead; IBM; Cupertino, CA – 2014–2016

Created an accelerated design thinking methodology to scale the design and production of over 100 enterprise iOS/watchOS applications as part of the Apple+IBM partnership; facilitated design workshops with Fortune 100 clients; led and oversaw the UI/UX effort of teams globally

Lead Creative Designer; Kadenze; Santa Clarita, CA – 2013–2014

Crafted the identity and design language, managed a team of designers and instilled design processes for an arts-based EdTech startup

Designer (Freelance); Google, Inc. (Agency Team); Venice, CA – 2012–2013

Designed and implemented an internal data-driven web app to manage creative assets

Design Technologist (Freelance); Smithsonian Institute; Boston, MA – 2012–2013
Designed and built the web-based exhibits *Stories From Main Street* and *Stories of World Heritage*

Senior Creative Technologist; Hill Holliday; Boston, MA – 2011–2012
Led creative development of immersive ad campaigns for Dunkin' Donuts, Liberty Mutual and more

Interaction Designer; IBM iX; Cambridge, MA – 2009–2011
Founding member of Accelerated Visioning group—the first rapid prototyping service design group in the consulting division of IBM; led interaction design for award-winning B2B and B2C engagements

Interactive Designer & Developer; Modernista!; Boston, MA – 2009
Collaboratively devised bleeding-edge digital ad campaigns involving motion graphics and gaming

Interactive Designer & Developer; Paid Inc; Boston, MA – 2007–2008
Led the design & implementation data-driven web experiences for artists including Aerosmith, Run-DMC and others

Teaching Experience

Visiting Faculty; Pacific Northwest College of Art; Portland, OR – 2022–Present
Teaching a self-authored course on advanced interaction design specifically focusing on postcapitalist projects. Advising theses of MFA & MA students in the Collaborative Design / Design Systems program.

Visiting Faculty; California Institute of the Arts; Valencia, CA – 2022
Teaching a self-authored course in the theory and practice of systems art oriented around Jack Burnham's essay 'Systems Esthetics' featured in Art Forum in 1968

Adjunct Faculty; University of Nevada, Reno; Reno, NV – 2021
Taught a self-authored course in the Digital Media art program on tangible media/physical computing that discusses the intersection of interaction design and new media art

Adjunct Faculty; San Jose State University; San Jose, CA – 2016–2019
Created courses for and taught MFA/BFA students in SJSU's Digital Media Art program; taught courses and workshops in critical theory, speculative design and art & technology

Adjunct Faculty; University of Southern California; Los Angeles, CA – 2014–2016
Lecturer in USC's Media Art + Practice Division and taught first-of-a-kind, self-authored course on bridging user experience fundamentals with critical theory

Art & Technology Fellow; California Institute of the Arts; Valencia, CA – 2014–2015
Taught skills-based workshops to MFA and BFA students in physical computing, digital fabrication and video art. Provided advisory assistance on MFA thesis projects.

Education

California Institute of the Arts; Valencia, California – MFA in Integrated Media, 2014
Boston University; Boston, Massachusetts – BA in Economics (+ CS), BA in Music, 2009

Talks & Workshops

- 2023 The E3 Stack: A technology-assisted vision for post-capitalism and a strategy for how to get there
Invited talk for The Great Transition conference at Concordia University. Montreal, Canada. May 20, 2023.
- Modular political economy
Guest lecture for The Politics and Ethics of the Smart City class at Arizona State

University. Tempe, AZ (remote). February 28, 2023.

One Project: Economic Vision, Theory, and Design Approach

Invited talk for Antikythera. Los Angeles, California. February 17, 2023.

2022

Capitalist Contradictions / Postcapitalist Possibilities

Invited talk for Leonardo Art Science Evening Rendezvous (LASER) at Rochester Institute of Technology. Rochester, NY (remote). November 28, 2022.

An Ecological Oracle

Talk and panel participation on social justice & art. Splintered Realities - RIXC Art Science Festival 2022. Riga, Latvia (Remote). October 7, 2022.

Co-chair, Participatory Design Conference (PDC)

Co-chair at PDC, led panels in the Beyond Academia category, and organized key activities in remote hubs. Newcastle upon Tyne, UK & Remote. August 19–September 1, 2022.

Feedback Loop(s) of Transdisciplinary Practice

Invited guest lecture at the Illinois Institute of Design, Critical Contexts. Chicago, Illinois (Remote). April 22, 2022.

Feedback Loop(s) of Transdisciplinary Practice

Invited guest lecture at the Tecnológico de Monterrey. Chicago, Illinois. April 19, 2022.

2021

Speculating on Alternative Models to Capitalism

Invited guest lecture at Pacific Northwest College of Art. Portland, OR. October 18, 2021.

Food Carbon Footprint Index (FCFI)

PostSENSORIUM - RIXC Art Science Festival 2021. Riga, Latvia (Remote). September 25, 2021.

Dreams of justice through discursive design

Interaction '21. Montreal, Canada (Remote). February 5, 2021.

2020

Understanding nuance and bias in emotional AI technologies through art

Invited talk at Intel Labs Israel. December 9, 2020

Deconstructing the attention economy through art

Invited remote talk at the University of Nevada - Reno (UNR). Reno, NV. April 10, 2020.

An aesthetic approach to untangling systems

Invited talk at Rochester Institute of Technology (RIT). Rochester, NY. February 25, 2020.

- 2019
- Designing for the classroom & beyond
Invited talk for SF Design Week. San Francisco, CA. June 27, 2019.
- 5 things designers can learn from teachers
Invited talk for Layers Design Conference. San Jose, CA. June 5, 2019.
- An aesthetic lens to machine intelligence
Keynote speaker for the Oscar Pomilio Forum. Pescara, Italy. March 7, 2019.
- 2018
- Interactions
Keynote speaker for a Marketing Town Hall to IBM's Chief Marketing Officer. San Francisco, CA. August 13, 2018.
- The sight reminds me of our stupid fights. I miss them so much! Nostalgia and other things AI can't replace
Leonardo/ISAST Panel Discussion for CODAME ART+TECH Festival at The Midway. San Francisco, CA. June 6, 2018.
- 2017
- Why Artificial Intelligence Research Needs Art
Invited talk for TED@IBM at SF Jazz Center. San Francisco, CA. December 6, 2017.
- Exploring the Human-Machine Feedback Loop Through Art
Invited talk for Leonardo Art Science Evening Rendezvous (LASER) at San Jose State University. San Jose, CA. November 9, 2017.
- The Evolution of the Moving Image: Exploring the Role of Film Schools in the Age of Extended Reality and Immersive Media
Panel discussion with Eric Darnell (Pixar) and Karen Dufilho (Google) moderated by Leighton Pierce (CalArts Film School Dean) at Draper University. San Mateo, CA. November 5, 2017.
- How Art Shapes User Experience
Invited talk at the Computer History Museum. Mountain View, CA. October 6, 2017.
- WORKSHOP#2: What Now? The world Post-Automation...
Panel discussion with Jim Spohrer (IBM), Ron Poznansky (IBM) and Phil Balagtas (McKinsey) as part of the Speculative Futures/PRIMER Conference Series hosted at IBM Studios. San Francisco, CA. July 6, 2017.
- The Intersection of Aesthetic Practices and Bleeding-edge Design
Invited talk at IBM Watson West as part of the 50th Anniversary of the Turing Award. San Francisco, CA. June 22, 2017.

Conversational User Experience Design

Workshop lead at ACM CHI 2017 at the Colorado Convention Center. Denver, CO. May 6, 2017.

Art/Science and the Art of Illusion

Invited artist talk at the El Camino College Planetarium. Torrance, CA. April 29, 2017.

Conversational UI Best Practices

Invited talk as part of the LAUNCH Festival at the Palace of Fine Arts. San Francisco, CA. April 6, 2017.

Applying Science to Conversational UX Design

Invited talk with Robert J. Moore for SXSW 2017 at JW Marriott Ballroom. Austin, TX. March 13, 2017.

Cultivating Cognitive Experiences

Invited talk as part of Nerd Nite Silicon Valley at The Tech Museum. San Jose, CA. February 2, 2017.

2016

Design for the Aging Population: UX Considerations

Invited talk for the IBM Academy of Technology Outthink Virtual Conference. May 12, 2016.

Trends and Impressions from SXSW

Invited talk for IBM Research Staff at Almaden Research Center. San Jose, CA. May 26, 2016.

Intro to Arduino: Output

Workshop lead at Idea Fab Labs. Santa Cruz, CA. May 26, 2016.

2015

DIY Projection Mapping

Invited artist talk at the El Camino College Planetarium. Torrance, CA. October 10, 2015.

Designing for Remote Collaboration

Invited talk at the School of Cinematic Arts at the University of Southern California. Los Angeles, CA. April 14, 2015.

Using Keynote to Prototype Interactions

Workshop lead as part of the Apple+IBM Partnership. Cupertino, CA. April 3, 2015.

Video Projection Mapping: Aesthetic Considerations

Workshop lead at the California Institute of the Arts. Valencia, CA. April 3, 2015.

2014

(+/-) Pendulum

Invited artist talk at Zayed University as part of ISEA. Dubai, UAE. November 8, 2014.

PhoneGap 101: Utilizing Web Technologies for Mobile Applications

Workshop lead at Machine Project Gallery. Los Angeles, CA. June 10 & 12, 2014.

Web Fundamentals for Mobile Design

Workshop lead at Machine Project Gallery. Los Angeles, CA. June 3 & 5, 2014.

Design Thinking for Interactive Literary Art & Digital Storytelling

Invited lecture at Art Center College of Design. Pasadena, CA. May 15, 2014.

Artist Portfolio Best Practices

Invited lecture at the California Institute of the Arts. Valencia, CA. May 3, 2014.

Intro to Arduino

Workshop lead at Machine Project Gallery. Los Angeles, CA. February 9, 2014.

Historical & Contemporary Precedents for Media Arts & Design

MFA Thesis Defense at the California Institute of the Arts. Valencia, CA. January 31, 2014.

2013

Advanced Processing: Programming Generative Art

Workshop lead at Machine Project Gallery. Los Angeles, CA. December 10 & 11, 2013.

Intro to Processing: Programming Fundamentals

Workshop lead at Machine Project Gallery. Los Angeles, CA. December 3 & 4, 2013.

Musical Soldering

Workshop lead at 1450 Ocean Gallery. Santa Monica, CA. October 12, 2013.

Light-sensitive Oscillators: Learn to Make Sound Circuits

Workshop lead at Machine Project Gallery. Santa Monica, CA. June 16, 2013.

2012

Amalgamation & Displacement: Art that Spans Time & Media

Invited artist talk at the University of Nevada, Reno as part of Prospectives International Festival of Digital Art. Reno, NV. October 8, 2012.

2011

Interaction Design for Digital Experiences

Invited talk at the IBM Center for Social Software. Cambridge, MA. September 3, 2011.
